

TEAM RUBICON - DONOR BILL OF RIGHTS

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To assure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

2. To be informed of the identity of those serving on the organization's governing board and to expect the board to exercise prudent judgment in its stewardship responsibilities.
3. To have access to the organization's most recent financial statements.
4. To be assured your gifts will be used for the purposes for which they are given.
5. To receive appropriate acknowledgement and recognition and to have the opportunity to keep your gift anonymous, if you desire.
6. To be assured that information about your donation is handled with respect and with confidentiality.
7. To expect that all relationships with individuals representing Team Rubicon will be professional in nature.
8. To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.
